Identification Number: C00247403

Reference: 1995 Mid-Year Report (1/1/95-6/30/95)

Dear Mr. Posner:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-You must provide the full name, mailing address, occupation and name of employer for all individuals who contribute more than \$200 in a calendar year. Please amend your report to include the omitted information.

A committee may demonstrate "best efforts" to obtain the required information by providing the Commission with a description of its procedures for requesting the information and may also supply a copy of a solicitation: the committee must request the contributor information in initial solicitations; make follow-up requests (if necessary); report the information; and file amendments to disclose previously unreported information. Each solicitation must include a clear and conspicuous request for the information and must inform the contributor that the reporting of such information is required by federal law. If a committee receives a contribution that exceeds the \$200 threshold but lacks contributor information, the committee must, within 30 days, make an additional written or oral request for the information. Please note that a written request may not include an additional solicitation or material on any other subject, other than thanking the contributor for the donation and must include a pre-addressed return post card or envelope for the contributor's response. An oral request must be documented in writing. Committees must also disclose information that was not provided by the contributor, but is available in any of the committee's records for that current election cycle. Furthermore, if a committee receives contributor information after the contributions have been reported, it must submit, with its next report, an amended memo Schedule A listing all the contributions for which additional information was received or file, on or

before the next reporting date, amendments to the previous reports on which the contributions were originally disclosed. See 11 CFR §104.3(a)(4)(1) and 11 CFR §104.7.

-Your report discloses limited payments for administrative expenses. Administrative expenses are payments made for the purpose of operating a political committee including, but not limited to, rent, utilities, salaries, telephone service, office equipment and supplies. Any such payments to a person aggregating in excess of \$200 in a calendar year must be disclosed on Schedule B supporting Line 21(b) of the Detailed Summary Page. 2 U.S.C. §434(b)(5) If these expenses are being paid by a connected organization, your Statement of Organization must be amended to reflect this relationship. 2 U.S.C. §433(b)(2) In addition, if expenses have been incurred but not paid in a reporting period, the activity should be disclosed as a debt on Schedule D, if the obligation is \$500 or more, or outstanding for sixty days or more. 11 CFR §104.11

Any goods or services provided to your committee by a person, except volunteer activity (i.e., a person's time), would be considered an in-kind contribution from that person, and would be subject to the disclosure requirements of 2 U.S.C. §434(b)(3) and 11 CFR §104.13, and the limitations and prohibitions of 2 U.S.C. §§441a and 441b.

Clarification regarding administrative expenses should be disclosed during each two year election cycle beginning with the first report filed in the non-election year. Please provide the necessary information regarding administrative expenses incurred by your committee and/or amend your report to disclose such expenses according to the referenced provisions of the Act and Commission Regulations.

-Be advised that you have used an incorrect committee identification number on the Summary Page of your report(s). Please file all future reports and correspondence using your correct identification number, C00247403, to avoid potential errors in entering your reports onto the public record.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on
